

Brentwood & District LTA

LEAGUE RULES

1. The Competition

The Competition shall be called the Brentwood & District Lawn Tennis Clubs' Association Tennis League. The season shall be 6 months commencing on 1st April and finishing on the 30th September annually. The cut off date to play matches will be 15th October.

2. League officials

The league shall be managed by the Chairman, Secretary, League Secretary and the Treasurer, who shall be appointed annually by the clubs represented at the Annual General Meeting (AGM).

3. Annual General Meeting

The Secretary will call a meeting annually of representatives of competing clubs to arrange meetings and carry out any other business. This will be the Annual General Meeting (AGM) of the League. Clubs will arrange fixture dates at this meeting. Any club not represented at the AGM the onus is on that club to arrange its matches.

4. Membership and Fees

All clubs who are affiliated to the Brentwood & District Lawn Tennis Clubs' Association are eligible for membership of the league.

New clubs seeking membership and those clubs who wish to add to, and/or reduce their number of teams in the League must inform the League Secretary before the 1st January in each year. New clubs applying to join the league will need approval of acceptance from league members at the AGM.

The annual fees payable shall be as agreed at the AGM and payable at the following fixture meeting. Fees shall be doubled if not paid at that meeting. Any club not represented at an AGM shall be liable to a fine equivalent to double the sum of the offending clubs' affiliation and league fees. Clubs not returning trophies in time for presentation at the AGM shall be fined £10 per trophy.

5. League membership requirements

All clubs must provide two tennis courts. Floodlights are not compulsory. Home clubs must provide a minimum of four new LTA approved balls per court.

6. Composition of the League

The league shall consist of a Mixed Doubles section, a Men's Doubles section and a Ladies' Doubles section. Each section shall comprise divisions having a maximum of eight teams, or as agreed at the AGM. In each division, each club will play each other club both home and away.

7. Eligibility of players

Each player shall (i) nominate and (ii) be a bona fide playing member of an affiliated club. A player may represent two clubs during a season providing that he or she is a bona fide playing member of both clubs. In this case, the player must nominate at the start of the season which clubs he or she will be representing in each of the two sections he or she may play in (i.e. Mixed and Ladies or Mixed and Men's).

When a player has played three times for a team that player cannot play for a lower team in that section.

8. Composition of Matches

In all sections each competing team shall consist of two pairs and each pair shall play against each pair of the opposing team two sets. The LTA tie break shall apply at six games all in each set unless both teams agree to score the final set as a championship (10 point) tie-break..

9. Match start times

All matches shall commence at such time that a minimum of 2 ½ hours of play is available.

Teams should be ready to start the match at the agreed time. This is particularly important where clubs have a restriction on availability of floodlights. Warm up time should be a maximum of 5 minutes.

If a player is absent for more than 30 minutes after the time arranged for the start of play in a match, the player and partner will be considered to have lost the first set to their opponents by the maximum score. If a player is absent more than one hour after the time arranged for the start of play in a match, the player and partner will be considered to have lost both sets of the match by the maximum score.

10. Points

Home and away matches to be played, one point to be awarded for each set won. Points awarded for a walkover shall be calculated at the end of the season by the League Secretary on the basis of the better average of the team's results or the average sets lost by the conceding team. The conceding team receives nil points for the fixture. Clubs cannot agree to share the points.

11. Promotion/relegation

Promotion and regulation between divisions shall be on the basis of two up, two down (except between division 1 and 2 where only one team will move up or down), or as may be decided at the AGM.

In the event of an equal number of points being gained by two or more clubs at the end of the season, the position in the league table will be decided on the number of matches won and if these are equal, on the percentage of games won to those lost.

12. Match cancellation/abandonment

If a team cancels a match, except when cancellation is necessitated by inclement weather, their opponents may, at their discretion, claim a walkover or agree to rearrange the match. It is expected that every effort shall be made to rearrange cancelled matches.

All matches started but abandoned before the end of the first round shall be re-arranged and the result will not stand. Thereafter the result shall stand and any uncompleted sets shall be divided equally.

Matches not commenced or matches abandoned shall be played on the next available date provided that no match is played after the cut-off date. Any matches not played by the season cut off date will result in both clubs receiving no points.

13. Result sheets

Both teams must send fully completed result sheets to the League Secretary as soon as possible after the completion of the match. In the event of a club claiming a walkover a result sheet should still be submitted by both clubs. Results sheets received by the League Secretary after the cut-off date or not received at all will not be counted and both teams will receive nil points.

14. Disputes

All questions of eligibility of players, interpretation of regulations or any other queries or disputes in relation to these competitions must be referred in writing to the League Secretary, whose decision is final.
