League Secretary's Report

2010-11 Summary

A big thank you to all the clubs that sent in their results sheets promptly which enabled me to keep the results table up to date during the season. However, there were a few clubs who did not send in results sheets on time and in one or two cases did not send in any results sheets at all. I would urge all match secretaries to encourage their captains to submit results sheets promptly.

We had a very bad winter which caused a lot of problems concerning cancelled and unplayed matches. Well done to all the clubs that managed to complete all their matches.
